

# PHAM TIEN SANG

I am a versatile **Multidisciplinary Designer** with **4 years of experience** delivering high-impact creative solutions across Social Media, Motion Graphics, Campaign Visuals, and Web Design. Having worked in diverse environments—ranging from dynamic Agencies and In-house teams to structured Government sectors—I have developed a highly adaptable mindset and the ability to learn at a rapid pace. I am currently seeking a professional environment where I can contribute my versatile skillset to drive meaningful results
